# ENABLING EUROPEAN E-PARTICIPATION

MAKE YOUR **VOICE** HEARD!  
YOU ARE JUST A CLICK AWAY FROM **EUROPEAN** POLICIES

## DID YOU KNOW THAT?

The EU has created online tools that everyone can use in all official EU languages. All you need is a computer and internet connection!

### WHY THIS PROJECT?

Many people just don't know that these tools exist. We want to raise awareness among European citizens that the EU is not something that happens only in Brussels, but is actually just a click away.

### WHAT IS E-PARTICIPATION AND WHY IS IT IMPORTANT?

E-Participation is citizens' participation in policies and policy-making through the help of ICT tools – e.g. signing an online petition for saving a forest or commenting on your mayor's proposal to renovate a school.
